SEARLES DEAD GRUB PRO FOR LAWNS

Searles Dead Grub Pro for Lawns is a highly effective fast acting product made up of granules coated with an insecticide that kills Lawn Grubs and Beetles when they come into contact with it.

HOW TO USE

DO NOT apply inside buildings. Searles Dead Grub Pro for lawns is dispensed directly from the pack. It will not harm soil or plants when used as directed. Use with caution around pets. Reapply if necessary.

AREAS	PESTS	RATE	HOW TO APPLY
LAWNS	Lawn Armyworms Sod Webworm	60g/10m ²	Broadcast Searles Dead Grub Pro for lawns to ensure uniform coverage over the area to be treated. To provide optimum control, water immediately after application with up to 4mm of water. Inspect treated areas for continuing activity and reapply as required. Where a rate range is indicated, use lower rates on lower insect pressure and higher rates on higher insect pressure.
	Argentine Stem Weevil Adults	60-120g/10m ²	
	African Black Beetle Adults	120-180g/10m ²	
	Bilbug Adults	60-120g/10m ²	

**NOT TO BE USED FOR ANY PURPOSE OR IN ANY MANNER
CONTRARY TO THIS LABEL UNLESS AUTHORISED.**

CAUTION

- DO NOT use indoors
- DO NOT allow chemical containers or granules to get into drains, sewers, streams or ponds.
- POISONOUS TO FISH
- DO NOT apply within 2 metres of a fish pond or water containing fish or other aquatic species.
- DO NOT spread granules directly onto humans, pets, exposed food, food preparation areas or food utensils.

STORAGE AND DISPOSAL

Store in closed, original container in a cool, dry place out of reach of children and pets. DO NOT store in direct sunlight. Dispose of empty container by wrapping in paper, placing in plastic bag and putting in the garbage bin.

SAFETY DIRECTIONS

Wash hands after use.

FIRST AID

If poisoning occurs, contact a Doctor or Poisons Information Centre.
Phone Australia 13 11 26.
Phone New Zealand 03 4747 000.
